NOTE: We are seeking a Christian husband and wife to be house parents for our residential Christian children's home which has a capacity for six children. We are seeking a Christian couple who have a sound marriage, a desire to share the love of Christ with others, a knowledge of the Bible, ability to work well with others, and patience. This couple will be creating a caring Christian family environment for foster children and/or orphans, and will be modeling warm Christian (not perfect) fathering and mothering to these children and teaching them how to live as members of a loving, functional family. The couple will be living with the foster children and/or orphans at our large, lovely Chrysalis Shepherding home, so housing, meals and utilities will be provided. The details of duties, hours, respite care for time off, and salary will be worked out with our Board of Directors, balancing the applicant's needs with our resources. We are entirely supported by donations but God has been faithful in supplying our needs. One of the couple may want to consider working outside the home either part-time or full-time. We offer a lovely rural home located on 7 1/2 acres 12 miles north of Carthage. Photos of the inside and outside of the home may be seen at our website. The website is being remodeled as we shift our focus from a home for women to a foster care/orphanage. Tri-State Family Services began as a crisis pregnancy center and has expanded to offer additional services to families.
