

Would you like to receive an e-mail alert when a new issue of your favorite journal is indexed? Set up a Journal Alert!

- The following EBSCOhost Databases will send an e-mail or RSS alert containing a link so that users may view a citation list of the articles in the issue or, in effect, the table of contents with links to full text when available:

- ⇒ Academic Search Premier
- ⇒ Business Source Elite
- ⇒ Health Source: Consumer
- ⇒ Health Source:
- ⇒ Military & Government
- ⇒ Newspaper Source
- ⇒ Primary Source
- ⇒ Professional Development Collection
- ⇒ PsycArticles
- ⇒ Regional Business News

- To utilize Journal Alerts and other features available in EBSCOhost, you must first set up My EBSCOhost.

- Fill in the requested information to set up your personal My EBSCOhost account.
NOTE: Neither the Jessie C. Eury Library nor CT are able to assist you in recovering your EBSCOhost username and password.
- After creating an account, select the database of your choice.

Browsing: **Academic Search Premier -- Publications**

College Teaching Enter a publication title and click

Alphabetical
 By Subject & Description
 Match Any Words

To browse by subject rather than title click
By Subject & Description.

Click on the publication title to view publication details.

 [College Teaching](#)

Bibliographic Records: 01/01/1990 to present; Full Text: 01/01/1990 to present

Click on the orange RSS symbol to proceed directly to Journal Alerts.

Create Alert ?

 Journal Alert: ""College Teaching" on 2010-01-11 01:15 PM"

E-mail Fill in the Journal Alert form as directed below to receive email alerts OR
