Alumni and friends of Lincoln Christian University have established scholarships for LCU students who have at least a 2.0 GPA. This program is called the Endowed Scholarship program. The scholarships are awarded based on academic achievement, Christian character and service, commitment to ministry, and financial need. In some cases the donor has specific requirements that the recipient must meet. The amounts of the scholarships vary depending on the funds available and the number of scholarships awarded. The funds may be used for any educational expense, unless restricted by the donor. One half of the total amount awarded will be disbursed in the fall semester and the remainder will be awarded in the spring. All applicants must have a commitment to Christian service. All undergraduate students with at least a 2.0 GPA and enrolled in at least 12 credit hours per semester may apply.
