INTRODUCTION

Servant Leadership

The phrase that best describes a student at Lincoln Christian University (LCU) is “servant leader.” It’s what we are about. It’s what we do. It’s who we are, and who we want you to be. You find that phrase at the heart of our institutional mission statement: “to nurture and equip Christians…to serve and lead…” You find that phrase at the outset of our University’s goal statement: “to prepare servant leaders…” You find that phrase and those kinds of people everywhere you turn on our campus. We even have a bronze statue, The Divine Servant, prominently placed at the center of our campus in front of our chapel that represents what we mean by “servant leader.”

It shows Christ washing the feet of a disciple. What better picture of servant leadership can there be?

Beyond the statue, however, it is appropriate to ask what we mean by “servant leader.” We have spent some time recently trying to answer that question. We talked to students, staff, faculty, alumni, and constituents from many places. As a result, we have arrived at the following definition of “servant leader.” It’s a definition that also encompasses seven images or mental pictures of what we mean by servant leadership.

Do you see yourself as a servant leader? Do you want to learn more about what we mean by servant leadership? Do you want to follow the model of the Master, Jesus Christ, and learn to lead by loving to serve – by washing the feet of the world in humble service?

This academic catalog will help you understand more clearly how you can prepare to be a servant leader at Lincoln Christian University.
Mission

Lincoln Christian University is a Christian higher education community whose mission is to nurture and equip Christians with a Biblical worldview to serve and lead in the church and the world.

The principal means we use to accomplish this mission are teaching, learning, leading, and serving through undergraduate and graduate programs. The educational goal of our undergraduate programs is to prepare servant leaders who know God’s Word, engage God’s world, and pursue God’s will for their lives. Our undergraduate programs have also adopted a set of student learning objectives to further clarify these goals for each student.

Our priority as faculty and staff is the education of our students as part of a lifelong learning process. We are a Christian university committed to helping students know the Christ and make Him known. All undergraduate students take a common core of classes that build a solid foundation in Biblical studies, in the liberal arts, and in professional practice, for service inside and outside the church. In every program, at every level we are committed to excellence in a holistic model of education that helps students develop intellectually, spiritually, socially, and physically. Our faculty and staff strive to serve not only as instructors and scholars, but as role models and mentors.

Undergirding our educational approach is a fundamental commitment to a Biblical worldview. We want our students to look at and live all of life from a distinctively Christian perspective that is derived from Scripture so they can “think with the mind of Christ.” We want them to see everything through the larger Biblical story of creation, fall, and redemption. We also want our students to understand and respect those with other worldviews in order to engage them with integrity and grace.

As a Christian higher education community, we are committed to Christ and His church, locally and globally. Founded in 1944 by Earl Hargrove, a church pastor turned college president, Lincoln Christian University has religious roots in the Restoration Movement (sometimes called the Stone-Campbell Movement), a unity movement of independent Christian Churches and Churches of Christ committed to the authority of Scripture. While we have our doctrinal distinctives, we welcome all those who share our common concern for Christ’s church and God’s world.

Located in America’s heartland, we have a heart for the world in all its diversity because God does.

As a private, religious school in the Judeo-Christian tradition, we value the dignity and worth of all people in a pluralistic society. We strive to be a Christian community committed to covenantal relationships with ourselves and to collaborative relationships with others in the pursuit of our mission. Our campus culture is characterized by collegiality, compassion, and concern for all. We believe leadership is best done by serving others, based on each person’s gifts, passion, and sense of calling. We also believe learning is enhanced by serving, and we view service learning as a hallmark of our campus community.

Our Learning Objectives

In fulfillment of our mission, our faculty is committed to helping every student:

- Know God’s Word by understanding and living the Scriptures with the aid of a Biblical worldview, a faithful interpretive community, and a disciplined Christian life. The School of Bible and Theology has developed objectives that focus especially on this learning outcome.

- Engage God’s World by interacting critically with multiple disciplines from a Biblical worldview perspective and by communicating effectively (through listening, speaking, writing, media, and other means). The School of Arts and Sciences has developed objectives that focus especially on this learning outcome.

- Pursue God’s Will by discovering and using his or her gifts to minister passionately and compassionately in his or her chosen vocation inside and outside the Church, especially in serving an increasingly diverse world. Each major has developed objectives that focus especially on this learning outcome.

The University has developed curricular programs to accomplish the previously stated mission and objectives. To develop these curricula we consulted alumni, supporting constituencies, faculty, and administration. The University reserves the right to modify these programs according to the process established by the University. The University cannot guarantee that the objectives of any program will be accomplished by every student in that program.
Philosophy of Education

The purpose of a philosophy of education is to clarify educational concepts, strategies, and outcomes. At LCU, our philosophy of education draws its form and substance from the shared theological values of the campus community. It is these shared values that give rise to the curriculum and its content. It also gives expression to the covenantal character of our educational community and commitment to our mission, vision, core values, and basic beliefs.

The foundation of our philosophy is the shared belief that truth is revealed by God in the natural world, in the written Word of God, and in the person of Jesus Christ, the Living Word. This revealed truth in all three dimensions is the heart of our curriculum and has for us three key aspects: creational, propositional, and relational.

The creational aspect of truth requires a careful examination of the created, natural world and the collective knowledge of humankind throughout history. The propositional aspect of truth requires a purposeful process that focuses on the transmission of the truth revealed by God in Scripture through His Holy Spirit. The relational aspect of truth requires a deep knowledge of the person of Jesus Christ as “the Truth” that involves not only mental understanding but also personal experience as a learner-disciple led by the Holy Spirit within a covenant community.

At the heart of our educational philosophy is the reciprocal relationship between the student and the faculty in the teaching-learning process. Students are valued as learners who are integral to our educational and spiritual community. Central to this process is the recognition and acceptance of the diverse nature of learners and the diverse ways in which they learn. This diversity is reflected by age, gender, race, ethnicity, culture, life experiences, interests, abilities, giftedness, and different learning styles.

The faculty is valued as teachers who do more than teach. Their education, expertise and experiences are crucial components of the teaching and learning that occurs here, but faculty also serve as role models, mentors, advisors, encouragers, and partners in learning. It is their commitment to lifelong learning, to scholarship, to creativity, to the discovery of new knowledge, and to ongoing development that creates a vibrant learning community.

This community of teachers and learners strives to strengthen the learning partnership in a variety of ways. We employ a variety of educational strategies, both pedagogical and andragogical, to address the diversity of our learners’ ages and life experiences. We promote a variety of settings and opportunities for learning, both formal and informal, focusing on individuals and on groups, located inside and outside the classroom, occurring on-campus and around the world, and involving both scholarship and service, academics and ministry.

At the core of this partnership is the desire to achieve learning outcomes that reach the highest levels in all the learning domains, from memorization to critical application. We want learners who know basic ideas, interpretations, and information, and can critically analyze those as needed, synthesizing them in ways that allow for more informed judgments so that they can apply them to new situations and practical problems in our increasingly complex and diverse world. Ultimately, we want to train learner-disciples who continue to grow in all areas of their lives in order to contribute not only to the “common good,” but to the Kingdom of God.

Assessment of Learning Focus

Paul tells the Christians at Philippi that his prayer for them is that their love “may abound more and more in knowledge and depth of insight” so that they can “discern what is best” (Philippians 1:9-10). At Lincoln Christian University, we pray that both our love and our learning “may abound more and more in knowledge and depth of insight” so that we all may “discern what is best.” We believe such depths of insight and abilities to discern are best achieved through assessment that leads to improvement. We want to learn how better to learn—for ourselves and our students. Assessment is more than giving course grades and granting diplomas. It is a holistic evaluation of everything we do so that we can do it better. It begins with our mission and works its way through every program, every course, and every student. Every course objective and every course assignment is tied to our mission and learning objectives. We understand assessment to be more than simple statistical measurements, but rather to be an
ongoing process that is multi-leveled (from freshmen through seniors), multi-layered (faculty, student, and other views), and multi-dimensional (from the intellectual to the spiritual). The heart of assessment for us is our students and the heartbeat is our mission. For more information on our assessment of learning, contact the Academic Office.

Our Heritage

Lincoln Christian University is supported by independent Christian Churches and Churches of Christ. This non-denominational fellowship of more than three million members worldwide has nearly six thousand congregations across the United States and many more than that outside the U.S. Lincoln Christian was founded in 1944, but its religious heritage extends back to the early 19th century, to a nation-wide revival among various Protestant churches often called “the Great Revival.” From that Great Revival came a grassroots movement among many faith groups led by Thomas Campbell, Alexander Campbell, Barton Stone, and Walter Scott. It was known as the Restoration Movement. The plea of this movement, to which Lincoln Christian University subscribes, has three emphases: (1) the authority of the Bible, (2) the unity of God’s people, and (3) the Great Commission of Jesus Christ to “go into all the world to make disciples.” (For more on what we believe, see the “About Us” link on our website.)

Locations

Lincoln Christian University’s main campus is in Lincoln, Illinois, midway between Chicago and St. Louis. Located on the east edge of Lincoln, along Illinois Route 10, LCU occupies more than 100 acres. Its buildings include the Charles E. Mills Administration Building (that houses the Jessie C. Eury Library), Henderson Hall cafeteria, the Earl C Hargrove Chapel, the Laughlin Center (an athletic facility which includes the 1,100-seat Gaston Arena), Restoration Hall, Timothy Center for Global Ministry, Harmony Hall, the Warehouse student center, two dormitories, 56 student apartments, and various service and maintenance facilities. The grounds also include outdoor and indoor athletic facilities for baseball, softball, and soccer.

Campus Life

Students at the University come from literally all over the world, though the majority are from Illinois. The University provides a full range of student services, including on-campus housing (for singles and families), athletics (intercollegiate and intramural), exercise facilities, dining facilities, a student center, social activities, on-campus employment, counseling center, and career services. For further information, contact the Student Services Office or consult the Student Handbook.

Diversity Statement

Located in America’s heartland, Lincoln Christian University has a heart for the world in all its diversity because God does. We desire diversity for the educational value that it provides to our Christian higher education community as we seek unity amidst diversity. We want a learning environment that engages men and women of various ages, cultures, nationalities, races, abilities, exceptionalities, and socio-economic backgrounds who support our mission and core values.

LCU Lectures

Lincoln Christian University fulfills its mission of “nurturing and equipping Christians” in a variety of ways—inside and outside the classroom. One of the “outside-the-classroom” ways is through annual lectureships on our campus. These lectures provide a forum for bringing to campus a wide range of noted scholars, teachers, preachers and others who are major influencers “in the church and in the world.” These free lectures are for the benefit of our own students and employees, as well as for the general public. Currently, LCU offers two lecture series each year: one in the fall and one in the spring.

The fall lectureship is called the James D. Strauss Worldview Lectureship in honor of a former professor of theology and philosophy. Past lecturers for this series have included such notable thinkers as Leland Ryken, William Lane Craig, Terry Mattingly, Michael Behe, James Sire, Nancy Pearcey, J.P. Moreland, Ben Witherington, David Gushee, Kevin Lawson, Darrel Bock, Christopher Hook, D. Stephen Long, Craig Hazen, and Holly Ordway. This lectureship is typically held the first or second Tuesday and Wednesday in October.

The spring lectureship alternates every other year between two different lecture series: the Seminary Lectureship and the John M. Webb Lectureship on Preaching (named in honor of a long-term Academic Dean and Professor of Preaching at Lincoln Christian University). The Seminary Lectureship typically
features scholars from the various disciplines represented in our Seminary, including such outstanding people as Eugene Peterson, Walter Kaiser, Thomas Oden, Ted Ward, Robert Clinton, Kenneth Gangel, Raymond Bakke, Robert Webber, Paul Maier, Diane Langberg, John Witvliet, and Mark McMinn. The Webb Lectureship on Preaching features preachers and professors of preaching who reinforce our school’s long commitment to the ministry of preaching. Past Webb lecturers include Fred Craddock, William Willimon, James Earl Massey, Calvin Miller, Eugene Lowry, Haddon Robinson, Thomas Long, Michael Duduit, Robert Smith, Jr., Bryan Chappell, and Bruce Shields, with Joe Webb and John D. Webb, the sons of John M. Webb, for whom the lectureship is named, lecturing on the occasion of its 25th anniversary.

ACADEMIC PROGRAMS

Degree Programs

LCU offers undergraduate programs leading to the:

- Bachelor of Arts (BA) degree (see pages 11-22)
- Associate of Arts (AA) degree (see pages 23-24)
- Associate of Science (AS) degree (see page 25)
- Minors (see pages 26-31)

The Bachelor of Arts degree is offered in 12 areas and can typically be completed in four years. The Associate of Arts degree is offered in two areas and can be completed in two or two-and-a-half years. The Associate of Science degree is offered in pre-nursing and can be completed in two and a half years. LCU reserves the right, in its sole discretion, to terminate any academic program. LCU will provide any students enrolled in a program to be terminated with access to a “teach out” plan by which the student may choose to complete the program prior to its termination.

Academic Majors

Every undergraduate student completes a core of General Education and Bible and Theology courses in addition to the major they choose. Our basic focus is on servant-leadership ministry, and we believe that such ministry occurs in many ways inside and outside the Church. Consequently, students choose from a variety of majors or specializations that they believe best suit their gifts. The following majors or specializations are available at the publishing of this document:

- Bible*
- Biblical Studies
- Business Administration
- Children’s Ministry
- Christian Ministry
- Communication Studies
- Education*
- Intercultural Studies
- Philosophy
- Preaching Ministry
- Pre-Nursing**
- Psychology
- Spiritual Formation & Ministry
- Worship Ministry
- Youth and Family Ministry

*Available only in the Associate of Arts degree
**Available only in the Associate of Science degree

Minor Areas of Study

In addition to choosing a major, students may also select a 15-hour minor from a broad range of options. Students seeking to complete a minor as part of their undergraduate studies must complete a bachelor’s degree through LCU. Up to six credit hours may be applied to more than one major, minor, and core requirement. Minors are designed to allow students a formally recognized secondary focus, resulting in custom degrees carefully suited both to individual student interest and the unique needs of prospective employers. Students selecting a minor would do well to declare the minor early in their studies at LCU since their open electives may be limited to as few as three hours. At Lincoln Christian University, we have the following minors:

- American Studies
- Bible Exposition
- Biblical Languages
- Biblical Studies
- Business Administration
- Christian Ministry
- Communication Studies
- Intercultural Studies
- Media Arts and Worship Technology
- Music
- New Testament
- Old Testament
- Philosophy
- Preaching Ministry
- Pre-Law
- Psychology
- Spiritual Formation
- Theology and Philosophy
- Youth and Family Ministry

Two Majors or Specializations

Students who wish to complete one degree with two majors or specializations may do so by completing one as it is outlined in the following pages and then adding the necessary courses to meet the requirements of the second. This may be done only with the approval of the Registrar or faculty advisor.

Two Degrees

Students who wish to complete two bachelor’s degrees (in different majors or specializations)
must complete a minimum of 30 semester hours beyond the first degree. The Registrar’s approval is required.

Students may not earn an AA in Bible with the same graduation date as a BA or BS. The AA in Bible must be completed and awarded prior to the BA or BS.

Program Requirements

The following pages contain a brief description of the requirements for each of the academic programs offered by the University, many of which can be taken with an “honors” emphasis (see pages 41 and 61).* The academic programs described in this chapter are listed in the following order:

Our students are not all expected to proceed to advanced studies at the graduate level, yet they will be able to succeed there if they choose to do so. For more information, please contact the program director, Dr. Frank Dicken, at fedicken@lincolnchristian.edu.

Program Objectives:
Upon graduation, students will:

1. Interpret the Bible based on original-language study of the Old and New Testament texts.

2. Know the social and historical contexts of the Biblical world.

3. Be able to interpret God’s Word for their own world.

BA in Communication Studies

The Communication Studies program is designed to help students cultivate theoretically grounded and highly developed competencies in the production, delivery, and criticism of diverse forms of human communication. Students will learn to use their communication expertise in a way that is ethical and consistent with a Christian worldview as they pursue personal growth, professional advancement, and the fulfillment of their responsibilities as citizens and servant-leaders in the church and community.

A major in Communication Studies empowers students to understand, evaluate, and practice effective discourse. “Rhetoric” is the art of persuasion and this art provides the program with a conceptual core relevant to the study of all forms of human communication. To make them more effective and persuasive communicators, majors study communication performance (public speaking, argumentation/debate, advertising, interviewing, media, visual arts, etc.), theories of rhetoric and communication (how communication/persuasion work), the history of rhetoric and communication, critical methods (for evaluating significant discourse of the past and present), the rights and responsibilities for communicating in a free society (perspectives on ethics and free speech), and the impact of diverse channels (media) and contexts (interpersonal, business, public, intercultural, etc.) upon communication.

This program prepares students for professional endeavors that highlight the need for effective communication abilities and informed communication choices. For further information, contact the program director, Dr. Peter Verkruyse, at pverkruyse@lincolnchristian.edu.

Program Objectives:

Upon graduation, students will:
1. Apply the findings of research in rhetoric and communication to improve their effectiveness as communicators.
2. Become more critical consumers of the communication taking place in the world around them.
3. Analyze and assess significant rhetorical events of the past and present.
4. Understand and evaluate the implications of different theories of rhetoric and communication from philosophical, political, and ethical perspectives.
5. Understand and explain how culture shapes communication and how communication shapes culture.
6. Articulate an ethic of communication which is consistent with a Christian world view.

BA in Youth and Family Ministry

The Youth and Family Ministry program prepares apprentices of Jesus to become LEADING SERVANTS who discover and develop the necessary core competencies to serve the Church in a variety of ministry settings (youth ministers for birth to college age students, specific age-level ministers [e.g., middle school ministers], family ministers or next-gen ministers, associate ministers working with youth, church-related organizations, and campus ministers in urban and international settings and related areas). Students develop a theologically-grounded philosophy of ministry that will guide their minds, hearts, and acquired skills in being faithful and relevant in empowering LEADING SERVANTS, partnering with families, and cultivating sustainable environments for the spiritual formation of adolescent disciples. For further information, contact the program director, Rondel Ramsey, at rramsey@lincolnchristian.edu.

Program Objectives:
By graduation each Youth and Family Ministry Student is a LEADING SERVANT who LOVES students and their families by:

1. LEADING competently, cultivating sustainable environments and practices so that catalytic spiritual formation and wise ministry administration naturally occur (Acts 6:1-4, Eph. 4:11-16, Col. 3:17, 23-24). Competency
2. ORIENTING intrinsically, articulating God's Word faithfully through innovative creativity (preaching, teaching, and learning experiences) that produces life-long discipleship (Col. 1:28-29, Col. 4:3-6, 2 Tim. 3:14-17). Communication
3. VALUING compassionately, relating empathetically and lovingly, developing safe, empowering, and interdependent communities of whole and holy soul care (Mark 12:31, Phil. 2:1-5, 1 Thess. 2:8). Chemistry
4. EXAMINING curiously, exegeting cultures, particularly adolescent trends, texts, and paradigms, seeking thick and multileveled understanding through a Biblical worldview, responding lovingly on the redemptive edge (Acts 17, 2 Cor. 10:3-5, 1 Peter 2:11-12). Critiquing
5. SERVING humbly, seeking first the Kingdom of God as an apprentice of Jesus, confidently using gifts and talents, and modeling a Christlike, emotionally healthy life (Matt. 6:33, Mark 10:43-45, Mark 12:30). Christlikeness

Program requirements:
All majors must maintain a minimum 2.5 GPA in the major coursework (i.e., courses with a CM and/or YM designation). Students not maintaining the minimum may be subject to probation or dismissal from the program. YM 211, YM 325, YM 327, and YM 480 must be taken at LCU to be counted toward the program hours. Youth Ministry hours can be transferred in, but may need to be counted as elective hours.

COURSE DESCRIPTIONS

The Curriculum

The foundation of Lincoln Christian University’s curriculum may be found in Mark 3:14, “and Jesus chose the twelve that they might be with Him so that He might send them out…” We want to help you explore what it means to “be chosen,” to hear Christ’s call to servant leadership. We want to help you “be with” Christ, to learn from Him and from us relationally, devotionally, mentally, and in other ways. We also want to help you discover what it means to “be sent,” to be a servant leader prepared for the world—in all its complexity and diversity—through ministry inside and outside the Church.

Bible and Theology Core

The Bible and Theology Core helps you acquire a working knowledge of the Old and New Testaments, a reasonable confidence in your ability to interpret and apply the message of Scripture, and a genuine desire to use this knowledge and ability to grow personally, worship corporately, and witness globally.

Students who complete the common core in Bible and Theology will:

General Education Core

The General Education Core helps you understand nature, societies, and yourself; develop a sensitive awareness of a world influenced by complex ideas; critically and respectfully evaluate the world from a Biblical perspective; communicate Christian truth; and effectively communicate in oral and written forms.

Students who complete the common core in General Education will:

1. Describe, compare, and evaluate past and present ideas, values and practices through the distinctive perspectives of a Biblical worldview.

ACADEMIC POLICIES

Academic Appeals

Students who wish to appeal an academic decision or an academic policy made by a faculty member should discuss the decision with that faculty member whenever possible. If a discussion with that faculty member is not possible or proves unsatisfactory, the student should contact that faculty member’s Academic Dean by submitting a written appeal to him or her that describes the decision or policy in question and the basis for the student's appeal. Before responding, the Academic Dean may consult the student and/or the faculty member and may also arrange a meeting of these parties.

If the response from the Academic Dean is deemed unsatisfactory or if the Academic Dean chooses, the student may submit a written appeal to the Academic Council, which consists of both Academic Deans, the Chief Academic Officer and a Faculty Representative from each of the University's four schools. That group's decision is final.

The Academic Dean will maintain a file of all formal student appeals submitted to his or her office or to the Academic Council.

(Note: Students who wish to appeal a non-academic decision should following the appeals process described in the Student Handbook; see also Due Process on page 59. Appeals to change a course grade must be made within 30 days of the official issuance of that grade by the Registrar’s Office.)

Academic Integrity Policy

As a Christian university that places a high priority on honesty, integrity, and a Biblical commitment to truth, Lincoln Christian University will treat incidents of cheating, plagiarism and other forms of academic dishonesty very seriously. Penalties may include the failure of the assignments involved, requirement of additional work, failure of the course, academic probation (with special conditions imposed), suspension from school, or dismissal from school. The first three penalties may be imposed by the course instructor. The last three may be imposed only by the Academic Dean (see also Academic Appeals earlier in this chapter).

A student’s first violation of this policy may receive no penalty beyond that imposed by the course instructor. A second violation will result in the student being placed on academic probation under conditions to be specified by the Academic Dean in addition to any penalties imposed by the course instructor. A third violation will result in immediate dismissal from the University.

Examples of academic dishonesty include but are not limited to submitting someone else's work as one's own, failing to document appropriately quoted material or others' unique ideas, using sources not permitted to complete a test or assignment, lying, or other types of unethical behavior in fulfilling academic requirements. Students with any question about what is appropriate should consult with their instructors.

Academic Resource Center

The University has established an Academic Resource Center (ARC) to assist students at various academic levels. The Center’s services range from remedial assistance to specialized assistance in such areas as writing, reading, studying, note-taking, test-taking, and private tutors (as resources allow). Students with special needs are encouraged to contact the Academic Resource Center to learn of ways the University can assist them academically. It is the responsibility of students with special needs to identify themselves so that appropriate accommodations can be made. Students on academic probation are required to attend weekly lab sessions sponsored by the Academic Resource Center. Students who have occasional needs or desire assistance with particular classes may also contact the Center.

Advising

Lincoln Christian University believes that students benefit from relationships with faculty and staff. Intentional and intensive influence in student's lives is not only educationally sound; it is also Biblically modeled by the Master Teacher. One of the most important ways in which faculty and staff can “be with” students and influence them in a profound way is through advising. While academic guidance is important, LCU takes this one step further with its emphasis on holistic or developmental advising. LCU desires to help students develop intellectually, spiritually, socially, and physically. In addition, LCU desires to provide an environment that cultivates a student’s ability to know God’s will.
A student is assigned a faculty/staff advisor connected to the student’s major or specialization. Advising teams are in place for each program, and an advising team is also dedicated to students still deciding on a major.

As for those still deciding on a major, students meet with their advisors in small group settings at various times early in the first semester. Additionally, students generally have several opportunities for individual meetings throughout each semester for such purposes as discussing personal goals for the next semester. Advising relationships also provide students with information and referral to additional resources available on campus, such as the Academic Resource Center and the Student Counseling and Consultation Center.

**Attendance**

Students are expected to attend every class session of the courses in which they are enrolled, unless hindered by sickness, a family emergency, a school-sponsored activity, or some other extenuating circumstance. In such cases, it is the responsibility of the student to notify the instructor as soon as possible of the reason for the absence. If the absence is due to a school-sponsored activity, the student must consult with the instructor before the absence to determine what arrangements need to be made.

It is the responsibility of the instructor to make clear in the course syllabus (which is distributed at the beginning of the semester) the exact attendance requirements for that course. Attendance for online class sessions is equivalent to completing all required work on time for a given weekly session. It is institutional policy to allow no more than two absences (for any reason) per course credit hour (i.e., for semester long courses, four absences in a 3-hour course that meets twice a week or six absences in a 3-hour course that meets three times a week). Students who exceed this limit or violate any other attendance requirements outlined in the syllabus are subject to any of the following: dismissal from the class, failure of the class, lowering of the final grade in the class, or compensatory work in the class as assigned by the instructor. The final decision as to what, if any, action will be taken is up to the instructor, who may consult with the Academic Dean if desired. Students or instructors who encounter difficulties implementing this attendance policy may consult with the Academic Dean.

Due to federal regulations, students in accelerated 8-week courses (onsite or online) who miss two class sessions (in a consecutive or nonconsecutive manner) will have missed 25% of the course offering and will be withdrawn from the course and immediately granted a grade of WF (Withdraw Failing). The instructor is required to report a student to the Director of Student Achievement as soon as the second absence occurs. The Director of Student Achievement will then inform the Registrar’s Office (who will issue a grade of WF) and also inform the Financial Aid Office for appropriate action. Students falling into this category of attendance can appeal to the Undergraduate Academic Dean for reconsideration of the withdrawal. Students who anticipate not being able to follow this attendance policy should contact the Director of Student Achievement during the first week of class to request an official, voluntary withdrawal (W, not WF) to avoid any academic penalty.

**Catalog and Curricular Approval Policy**

The catalog functions as the official documentation of all curricular expectations for any student in any undergraduate program. Approval of the curriculum is the responsibility of the faculty, under the leadership of the Academic Dean and the Chief Academic Officer. The Registrar’s Office has significant responsibility for scheduling and managing all curricular expectations for all students in a fair and reasonable manner. Part of that process includes online degree audits that the Registrar’s Office prepares for each student (and his or her advisor), which are based on the catalog in effect. LCU publishes a catalog annually. Regardless of when catalog changes are approved, they are generally implemented only on an annual basis at the time the catalog is published. This allows for a more manageable implementation process. This current catalog is effective March 28, 2018. Students will be held accountable to the catalog under which they enter, unless they petition in writing to the Registrar’s Office to change to a new or revised program described in a later catalog. Such permission requires the approval of the student’s advisor and the Registrar.
Changes of Major or Specialization

Students changing from one major, minor, or specialization to another should secure a Change of Major/Minor form from the Registrar’s Office, get the necessary signatures, and return it to the Registrar, paying a $10 fee. Students making such a change will be responsible for meeting the degree and other program requirements shown in the catalog in effect at the time of the change.

Chapel Attendance

Chapel attendance is both an academic and a spiritual issue at Lincoln Christian University. It arises out of our mission as a Christian university and out of the character of our students as Christians who are called to worship God and encourage one another. For these reasons, Lincoln Christian places a strong emphasis upon its chapel program, which also includes weekly spiritual formation group meetings in a small group setting.

All traditional on-campus students are required to attend weekly chapel and Spiritual Formation Group (SFG) meetings each semester that they are enrolled as full-time students (12 or more hours). Students fulfilling an internship requirement are exempt from this requirement but are welcome and encouraged to attend chapel when possible. Chapel typically meets from 9:30-10:30 a.m. on Tuesdays and SFGs typically meet from 9:30 to 10:30 a.m. on Thursdays, with other special meetings called as needed. The 9:00-10:00 a.m. hour on Wednesday is reserved on occasion for special “campus family” meetings (e.g. Restoration Week meetings, special events, and student forums).

Attendance for Tuesday chapel and Thursday SFG meetings will be monitored by the Student Services Office. Through their SFG leaders, students who demonstrate a pattern of poor attendance or non-involvement will be asked to address the matter and will also be subject to disciplinary action, including dismissal. Students with attendance conflicts (e.g. work, family situation, etc.) must request special arrangements from the Student Services Office.

Classification

Students enrolled for 12 or more semester hours of credit are considered to be full-time. Those who have completed 0-29 hours are classified as freshmen; 30-59 as sophomores; 60-89 as juniors; and 90 or more as seniors. For those who qualify for Veterans Administration benefits under U.S. Code, Title 38, this same classification minimum applies. Summer term full-time status is defined as enrollment of at least 9 semester hours. Details about students eligible to pursue online degrees through the non-traditional track may be found in the “Distance Learning” section under Academic Policies on page 59.

Degree Audit

The Registrar’s Office maintains official copies of student academic records, including official transcripts and degree audits, which show ongoing progress towards completion of a specific degree or certificate program. In addition, LCU utilizes a commercial software program to maintain student academic records. Students can access their own academic records through a Web-based version of this software program through their student portal. Students cannot print an official transcript from this software program (see Transcripts on page 66), but they can view and print a variety of other functions and forms related to their own academic records, including plans to allow students (and their advisors) to view and print an unofficial degree audit and an unofficial transcript.

Discipline or Dismissal for Academic Reasons

The Student Handbook describes several situations that might lead to the discipline or dismissal of a student for a variety of reasons (see Student Handbook; see also Due Process later in this section). While such situations are typically addressed by the Student Services Office, situations involving primarily an academic concern may be addressed instead by the Academic Dean, and/or others he/she may delegate (particularly faculty).

Situations of a primarily academic nature that might lead to discipline or dismissal include, but are not limited to, plagiarism, violating LCU attendance policies, failing Service Learning, violating academic probation, disruptive classroom behavior, etc.
Discipline may be invoked by a faculty member or by the Academic Dean and may involve any of the following: apology and change of behavior, redoing an assignment, compensatory work, reduced grade, failure of assignment or course, dismissal from class or other appropriate action. The Academic Dean may also dismiss a student from the University for academic reasons. A student may appeal a decision following the guidelines described above under Academic Appeals.

**Distance Learning**

The following LCU degree programs may be completed entirely online (non-traditional track):

- BA in Christian Ministry
- BA in Psychology
- BA in Business Administration
- AA in Bible

To qualify for admission into such a non-traditional, online program, students must meet one of three criteria: 1) minimum 23 years of age, 2) married, or 3) place bound. The circumstances of students who apply as place bound will be reviewed by the offices of Academic Affairs, Student Services and Enrollment Services to determine whether they qualify for admission to online degree programs.

Students seeking transfer credit for online courses are subject to the policies stated in the “Transfer of Credit” section on page 67. All credits applied toward a degree must originate from an accredited University.

Permission to apply credit to a certificate or degree program must be obtained in writing from the Registrar before the course is begun unless LCU’s own distance learning courses are used.

The University offers undergraduate online courses primarily to service the needs of the non-traditional students who have been admitted into one of the University’s non-traditional degree programs or who otherwise meet one of the three criteria of a non-traditional student. Though the University’s online undergraduate course offerings are not primarily intended to serve traditional students, traditional students may nonetheless enroll in up to one online 300 or 400 level course per semester under the following conditions:

- The student will be classified as a junior or senior (see page 58) prior to the beginning of the semester in which the online course is scheduled.
- The student has a 3.25 or higher cumulative grade point average at the time of registration. If the student does not maintain a cumulative grade point average of 3.25 or higher at the time the online course registered for will begin, the student may be removed from the course.
- Enrollment opportunities are limited to the number of seats that have not already been filled by non-traditional students at the time the registration period ends.
- Students who meet the above criteria may register for online courses during the registration period but will be admitted as auditors. At the conclusion of registration, those students may be converted from audit to credit-seeking status, but only with regard to empty seats, and even then, only up to a total of five in any one course section. Auditors will be converted to credit seeking students on a first come, first served basis. Auditors who are not converted will be removed from the course.
- Exceptions may be made for other traditional students who otherwise do not meet these criteria but will generally be limited to (1) seniors in the semester of their graduation who have scheduling conflicts or need courses not scheduled to be offered residentially that semester, and (2) circumstances where the University merges an online section of a course and a residential section of a course into a single online section.

**Due Process**

In cases of student discipline and dismissal, the University provides a limited amount of due process. In cases involving academic misconduct, due process is described under Academic Appeals. In all other cases of misconduct, due process is described in the Student Handbook (though some cases may involve conduct which may constitute both academic and behavioral misconduct). A student is considered to be agreeing, by virtue of his or her enrollment, to abide by the regulations set forth in this catalog and in the Student Handbook.
Education Rights and Privacy

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights for their educational records. These rights include the right to inspect their own educational records, the right to request amendment of records they believe to be inaccurate or misleading, the right to give consent to disclosures of their records (with specific exceptions allowed by law, including publishing directory information) and the right to file a complaint with the U.S. Department of Education concerning any alleged failures of the University to comply with FERPA requirements. A detailed explanation of these rights is provided in the Student Handbook.

Grades

For each semester hour of credit with a grade of D- or above, grade points (quality points) are given. Grade point averages are used to determine scholastic standing and are also the basis for graduation and other honors. Students must have a grade point average (GPA) of 2.0 or above (on a 4.0 scale) at the beginning of their final semester in order to make application for the degree. The following grading system is used for undergraduate coursework:

Graduation Requirements

Students are approved for graduation by the Registrar upon the recommendation of the administration and faculty under the authority of the Board of Trustees. In order to be approved for graduation, students must meet the following requirements:

1) Completion of all academic requirements for the degree, with a cumulative grade point average of at least 2.0.
2) Completion of the requirements of the Service Learning program, as described under course CM 100, and
3) Completion of a "Declaration of Intent to Graduate" form (available on the Student Resources page). Due dates include December 1 (May graduation), July 1 (August graduation), and October 1 (December graduation). Late submissions incur a $25 late fee. Even if course requirements are completed by the graduation date, no forms will be accepted past June 1 (May graduation), September 15 (August graduation), and January 31 (December graduation).

Students who have not met all these requirements will not be approved for graduation, nor will they be allowed to participate in the Commencement service. Exceptions for attending commencement are granted only in rare circumstances and only upon written appeal to the Academic Dean (see also Academic Appeals on page 56). Those unable to attend the Commencement service because of distance or other circumstances must indicate on the Intent to Graduate Form they wish to graduate in absentia. Students who have not met all financial obligations to the University will not be permitted to participate in Commencement nor granted a diploma or transcript. The University holds public Commencement
services only in May, though it grants degrees in May, August, and December.

Honors

To encourage academic excellence, the University recognizes scholastic achievement in the following ways:

- **Dean’s List**: At the end of each semester, students who have a grade point average of 3.5 or above and are registered for at least 12 hours of credit are named to the Dean’s List.
- **Delta Epsilon Chi**: Graduating seniors are selected by the faculty for membership in Delta Epsilon Chi, the honor society of the Association for Biblical Higher Education. No more than 7% of the graduating class may be selected.
- **Alpha Sigma Lambda**: LCU awards membership in Alpha Sigma Lambda, a national honor society for non-traditional adult learners with a cumulative GPA of 3.2 or higher and the top 20% of their class. The minimum age requirement is 23.
- **Graduation Honors**: Students who have achieved certain cumulative grade point averages, and who otherwise are eligible to receive honors, will graduate with the following designations:
  - 3.50-3.69 cum laude
  - 3.70-3.89 magna cum laude
  - 3.90-4.00 summa cum laude

Honors Degree Program

The Honors Program provides opportunities for students to partner with specific faculty mentors for the purpose of extended and in-depth study in an area of academic interest.

**Who may apply to the program?**
Undergraduate students who:
- Are working toward a bachelor’s degree on a full-time enrollment basis.
- Have attained sophomore standing at the time of entering the program (freshmen in their second semester of study may apply).
- Have at least a 3.5 GPA.

**Application Procedure:**
- Consult with a faculty mentor who will be a willing mentor during his or her time in the program.
- Submit a formal application letter to the program director (Dr. Frank Dicken) that includes: (1) the intended area of study, (2) an account of why guided study in this area is of interest to the student and (3) a brief proposal of how the guided study will be formed into the Honors Project.
- Obtain recommendations from the faculty mentor and a second faculty member that will be sent directly from the faculty members to the Honors Program director.
- Submit all materials before May 1 for new fall semester applications or December 1 for new spring semester applications.

Once a student’s application is approved, the student will register for 1 credit in HO 399 (in exceptional cases, students may register for 2 credits).

**Program Requirements**

Students will be required to register and complete four semesters of HO 399 (no tuition or fees are charged for this course). Students will complete 40-50 hours of class work per semester (based on reading 15 pages per hour and/or writing ½ page per hour). The first three semesters in the program should include work that is preparatory for completing the Honors Project in the fourth semester.

**Additional requirements for the program each semester include:**
- Meet three times with their faculty mentors to discuss their work and progress.
- Though Honors courses are graded as Pass/Fail, the faculty mentor must deem all written work submitted to be of “B” (above average) quality or higher.
- Attend all on-campus lectureships (schedule permitting) and report their attendance to their faculty mentor.
- Maintain a 3.5 GPA throughout their enrollment in the program. Failure to maintain the minimum GPA will result in students being ineligible to continue in the program.

**Faculty mentors should make Honors students aware of opportunities to:**
- Interact with other faculty members and scholars concerning the student’s study.
- Attend academic conferences related to the student’s area of study.
• Enter papers in student competitions or for general presentation at academic conferences.
• Publish reviews of new works related to the student’s area of study.

Independent Study

Students desiring to complete a course through independent study (outside of the classroom) must receive permission from the course instructor and advisor. Independent Study Request Forms should be picked up in the Registrar’s Office or can be found on the Student Resources page of the LCU intranet/website. Students are allowed only 15 hours of independent studies toward their degree. Due to additional work on the part of the instructor, independent studies are charged $100 per credit hour beyond the current tuition rate.

Credit for Prior Learning (CPL)

Students who need additional credit in the areas of General Education or transferrable elective requirements may be able to earn additional semester hours through Credit for Prior Learning portfolios. Credit for Prior Learning is the result of demonstrated learning from a variety of sources including workshops, seminars, non-credit classes, training programs, and work related learning. Please note that it is the learning, not merely the experience, from these sources that is evaluated and results in credits being awarded. Qualified students interested in obtaining credit for prior learning must enroll in the online Focused Writing course (CPL 101). No more than 30 hours may be awarded through Credit for Prior Learning, Vocational Credit and Proficiency Exams (see ‘Proficiency Exam” section below). There is a one-time course fee of $150 charged to all students who enroll in this course. Also, the Credit for Prior Learning application fee is $50 per credit hour. The receipt of the credit applied for is not automatic, but is based upon an evaluation of the student’s learning by a faculty member in that field.

Military Credit Policy

For undergraduate students, LCU will grant transfer credit for military courses (including basic training) that are designated by the American Council on Education (ACE) as “lower –division baccalaureate/associate degree” or “upper-division baccalaureate category” (not the “vocational certificate category”). The amount of credit awarded is based in ACE recommendations. In some cases, credit may be counted for general education or major requirements if the ACE Credit Recommendation lists relevant subject areas (i.e., 3 hours of physics could be counted for science requirements), but generally it will be counted as electives. There is no transfer limit in this type of credit besides the amount of available electives in the degree program and any residency requirements. ACE credit recommendation for military occupation (often designated as MOS, LDO, NOW, NER, CGR, CGW or MCE) are not accepted by LCU.

Military Leave

Students who are called up for active military duty during the semester will receive academic credit and refunds under these two guidelines. First, students leaving during the first 10 weeks of the semester may withdraw and receive a grade of W (Withdraw), which carries no academic penalty. They are also eligible for pro-rated refund of their tuition and any room and board charges. Second, students leaving during the last five weeks of the semester will be given full credit for their courses and receive grades equivalent to the level of work they had demonstrated prior to leaving. No further work will be required unless they request it to improve or establish their grades, in which case the instructor must decide what would be appropriate. No refund will be given. Finally, no matter when during the semester a student leaves for active military duty, he or she must complete a withdrawal form from the Student Services Office. A student may not withdraw more than two weeks before he or she is required to report for active military duty.

Nondiscrimination Policy

Lincoln Christian University admits students of any sex, race, color, age, and national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the University. It does not discriminate on the basis of sex, race, color, age, physical disabilities, or national and ethnic origin in the administration of its educational policies, scholarship and loan programs, and athletic and other school-administered programs.

Probation, Academic

(General Policy)

Students may be placed on academic probation either as a result of their cumulative or term grade point average. Students failing to achieve the minimum cumulative grade point averages listed below will be placed on academic probation.
1.50 after one semester  
1.75 after two semesters  
2.00 after three semesters  

Failure to achieve a grade point average of 2.00 in any term may also lead to academic probation.

Students may also be placed on academic probation for other reasons, e.g. for plagiarism, but those situations are treated on a case-by-case basis by the Academic Dean.

Note: Students placed on academic probation may be eligible for only one additional semester of financial aid (see "Satisfactory Academic Progress" on page 74).

(Conditions)
Students placed on academic probation are typically given certain conditions that they must meet in order to remain enrolled in the University, and those are described below. If the academic probation is a result of unsatisfactory grades (see above), the student may appeal to one or more conditions of probation, but may not appeal the actual probation unless the grades themselves are being questioned.

Students placed on academic probation will be informed in writing of the conditions of their probation and will be notified of the appropriate appeal process.

Students placed on academic probation (except those already enrolled in Study Skills) will be required to enroll in and receive a passing grade in LA 015 Academic Resource Center Lab (2 hours) during each semester of their probation. The credit will not count toward graduation. Failure to maintain a passing grade in LA 015 may result in immediate dismissal. Students in the non-traditional track are exempt from this requirement but may be required to schedule conferences with their academic advisor.

Students placed on academic (or disciplinary) probation may not participate in extracurricular activities, including intercollegiate athletics, and may not represent the University in any way except during regular worship services on Sunday or in activities directly related to courses in which they are enrolled.

Probationary students who have Incomplete (I) grades will be removed from probation immediately upon the removal of the “I” grades if the resulting cumulative average is satisfactory.

Any student with a cumulative average below .70 will face immediate academic dismissal, with no probation period. Students admitted on probation will not be permitted to remain for a second semester if they fail to achieve a 1.50 average at the end of their first semester.

Students may appeal any of the above conditions by submitting a written request to the Academic Dean within the time specified in the probation notice. The Academic Dean may consult with appropriate faculty, administrators, and/or the Academic Resource Center Director in deciding whether to grant the appeal.
Proficiency Exams

The University makes three types of proficiency exams available: 1) exams offered externally through the College Board’s CLEP (College-Level Examination Program), 2) courses offered externally through The College Board’s AP (Advanced Placement) program, and 3) examinations offered internally for worship courses. All proficiency credit must be completed before the beginning of the student’s final semester. These options are described below.

1) Students may proficiency out of a select number of required courses by substituting a passing grade in the appropriate CLEP exam administered by the College Board. To do so, students must take the specified CLEP test at a site approved by the College Board (LCU is not an approved test site) and pay a modest fee to the College Board. Students receiving a minimum score of 50 on the CLEP exam and who wish to receive credit from LCU should make formal application through the Registrar’s Office. Any of the following courses (all 3 hours credit) are eligible under the CLEP program:

In order to receive credit for AP or CLEP exams, students must request that their exam grades be sent to: Registrar, Lincoln Christian University, 100 Campus View Dr., Lincoln, IL 62656. There is a $50 per credit hour fee from LCU to have the AP or CLEP course listed in substitution for a comparable Lincoln Christian University course proficiency exams and alternative competency measures for selected courses. LCU will also accept CLEP and AP examinations in other subjects for open elective credits, up to the amount permitted by the student’s program. Students must receive a minimum score of 50 on a CLEP examination and 3 on an AP examination to receive open elective credit. Students who wish to receive open elective credit for CLEP or AP examinations should make formal application through the Registrar’s Office.

3) Students may proficiency out of WM 281, WM 282, WM 283, WM 284, WM 289 or WM 359. The fee for taking one of these local exams is $50 per course. There is also a $50 per credit hour fee to receive college credit and have the course listed on the student’s transcript. Contact the program director of Worship Ministry, Jeff Colleen, at jcolleen@lincolnchristian.edu for details.

No more than 30 hours may be awarded through a combination of Credit for Prior Learning, Vocational Credit, and the above proficiency exams.

Notes:

*SS 164, SS 263 or HI 141 are only required by the A.A. in Education or the A.S. in Pre-Nursing. Students enrolled in these programs are bound by the regulations of Greenville University and St. Francis Medical Center College of Nursing.
Repeated Courses

Students may repeat a class they have failed or passed with a low grade. For a failed course passed in a subsequent retake, the previous F(s) will be replaced with an FX. Therefore, only the higher grade will count towards the cumulative GPA. For a passed course which was also passed in a subsequent retake, only the most recent grade will count towards the cumulative GPA. Grades will only be replaced for students taking identical courses at LCU. Different LCU courses or transfer courses do not result in replaced grades.

Residency Requirements

At least 30 hours of any Bachelor of Arts degree program (15 hours for Associate of Arts and Associate of Science) must be completed through course work offered by the University. For further information, contact the Registrar’s Office at registrar@lincolnchristian.edu.

Restoration Week

The student body at Lincoln Christian University has a long legacy of service through ministry/service trips taken annually during what is now known as Restoration Week. Each year Restoration Week trips provide opportunities for student to grow spiritually, socially, and in personal and professional self-awareness as they engage in a variety of ministry activities locally, nationally, or internationally. Trips are available each fall and spring during scheduled school break. Restoration Week trips are required of all traditional degree-seeking sophomore and junior students and are optional for freshmen and seniors. Transfer students who apply 0-59 credit hours to an LCU degree are required to do two trips prior to graduation. Transfer students who apply 60+ hours to an LCU degree are required to do one trip prior to graduation. Students should register for the section on CM 102 that corresponds to his or her Restoration Week trip. Students with special circumstances (health, family, work, etc.) may make arrangements with the Student Services Office at the beginning of the fall semester.

Schedule Changes

To add or drop a course during periods of online registration, students may complete the desired change through their student portal. Contact the Registrar’s Office to make changes after this period. Changes after the end of the refund period result in a fee charged to the student’s account. To add a class after the first week of class, students must get a Change of Schedule form from the Registrar’s Office, have it signed by the instructor of the course, and return it to the Registrar’s Office.

Refund of tuition and fees (if any) will be computed from the date the drop is initiated (see “Refund Policy” on page 70). Failure to officially withdraw from a class will result in the assigning of an “F” and the loss of tuition and fees for that class. A student may not drop any course after four weeks without permission from the Registrar or an Academic Dean.

Service Learning

The goal of Lincoln Christian University is to prepare servant leaders based on the Biblical model of servant leadership. Our accreditation standards also require that we supplement course work “with ministry field education and service learning opportunities through which students apply what they have learned in the classroom.” To that end, every full-time student is required to become involved in some kind of supervised and ongoing Christian service. To help students meet this requirement, the University has established a Service Learning program, overseen by the Academic Office. Each academic program or major has specific service learning activities that must be met to fulfill Service Learning requirements. Specific qualifications for approved service learning areas and requirements of service are outlined in the current edition of the “Service Learning Guidelines” available under Student Resources in MyLCU.

During the freshmen and sophomore years of study, students are required to complete a minimum of 12 hours each semester and get experience with at least 2 different service learning areas:
a) Service/Justice: e.g., Quest/after-school programs, food pantries/homeless ministry, rescue missions, pregnancy resource center, tutoring, refugee ministry, advocacy.

b) Encouragement: e.g., hospital or nursing home visitation, working with elderly/sick, working with special needs, respite care for caregivers, hospitality ministry.

c) Discipleship: e.g., leading small groups, youth sponsorship, kid’s ministry/Bible clubs.

d) Church Ministries (Evangelism/Missions/Church Work): e.g., prison outreach, campus ministry at secular school, volunteer ministry in local church, working with a church plant, international student ministry, cross-cultural ministry.

During their junior and senior years of study, students are required to complete a minimum of 15 hours each semester. Program directors will establish requirements for students that are directly related to the student’s major. Service requires set hours for mentoring and on-the-job training and feedback. A list of services, competencies, and skills to be completed will be required for each major.

Because this service should show consistency and faithfulness of commitment over time, the service cannot be earned at one time. Student commitment should spread over several weeks (e.g., 1 hour a week or 2 hours every other week). Students taking an elective internship will have their service learning requirement rolled into the internship and will not be required to enroll in service learning.

Each semester, students will submit their service learning reports to the Academic Office which will assign a pass/no-pass grade. Full-time students who fail to document their Service Learning activities each semester will fail CM 100 and will not be allowed to re-enroll without a written appeal to the Academic Office (who may consult with the Academic Dean and respective Program Director). A “no-pass” grade can subject students to dismissal.

Special Needs

The University accepts students who meet its admission requirements without regard to disability. Reasonable accommodations are provided for all students with special needs who self-disclose that information sufficiently in advance and who provide official documentation of the special need. The Academic Resource Center acts as a facilitator for students with special needs. For further information, please contact the Academic Resource Center Director, Jasmine Howe, at jahowe@lincolnchristian.edu.

Transcripts

Current students may access and print an unofficial copy of their transcripts by accessing their own academic records through the Student Portal. Alumni or students (or the parents of financially dependent students, as defined by federal guidelines for financial aid purposes) may examine their official transcript by making a verbal request in the Registrar’s Office. Except during times of unusual workload or other exceptional cases, the request will be honored immediately (in all cases by the next work day). A printed copy of the transcript will be made available in person or by mail only with the written authorization of the student involved. To secure a transcript, current students should fill out a Transcript Request form in the Registrar’s Office or on the website. A $7 fee is charged for each electronic transcript copy and $10 fee for each paper transcript copy, whether official or otherwise. Transcripts will be withheld from any students whose accounts are not paid in full.

Transfer Courses after Enrollment

For students currently enrolled at LCU, all transfer credit replacing courses in the major must be pre-approved by the student’s adviser and program director. All other transfer credit must be pre-approved by the academic adviser and the registrar. Transfer courses are approved for good academic reasons (e.g., something LCU does not offer that will further a student’s vocation, the course is not offered and could not have been taken another semester). Appeals for transfer credit based on financial exigencies may be reviewed by the academic dean, the director of financial aid, and the director of accounting. Official transcripts for all non-LCU courses must be delivered to the office of the registrar by January 31 for May graduation (June 30 for August graduation and September 30 for December graduation). This means no transfer courses may be taken in a student’s final semester.
Transfer of Credit

Lincoln Christian University accepts credits transferred from other institutions provided they meet these criteria:

- Documented through an official transcript
- Demonstrates appropriate quality (i.e., from an accredited institution with the final grade of at least C)
- Classes are at a comparable level (i.e., freshman level class is not comparable to a senior level class)
- They fulfill requirements for the student’s chosen program at LCU
- They meet any applicable residency requirements

All transfer of credit decisions are made by the Registrar’s Office using the criteria mentioned earlier in this section. The Registrar may consult with various faculty members as needed to provide appropriate flexibility and fairness. Credits from non-accredited institutions may be considered if the student can provide sufficient documentation (i.e., syllabus and assignments) to verify the appropriate quality of the credits. Students can appeal a transfer of credit decision to the Undergraduate Academic Dean if they feel their request was denied unfairly.

Lincoln Christian University is a participant in the Illinois Articulation Initiative (IAI), whose iTransfer website, www.itransfer.org, provides information as to what courses in general education will transfer from another Illinois college or university to Lincoln Christian University. LCU does not accept transfer courses from StraighterLine.com.

Vocational/Occupational Credit Policy

LCU accepts up to 30 hours of credits from courses considered technical or vocational in nature, under these conditions:

- Vocational credit must be documented on an official college transcript in keeping with our Transfer of Credit policy. Students may also seek credit for vocational experiences through our “Credit for Prior Learning” policy, but the total number of vocationally-oriented credits (including CPL credits) cannot exceed 30 hours.
- Vocational credit should be in areas related to subjects offered in the undergraduate catalog (e.g., business, computer science, counseling, early childhood education, etc.). Up to 12 hours of the 30-hour total may be accepted in other subject areas, if appropriate to a Christian university.
- Vocational credit is normally limited only to elective hours in one of our degree programs. In some cases, vocational credit may be applied to required courses (e.g., business math for math core, or business communications for a communications core) with permission of the Registrar or the Academic Dean.

Withdrawal from the University

A student may not withdraw from Lincoln Christian University without permission from the Dean of Student Services, the Academic Dean, or the Registrar. Once classes have begun, the withdrawal form can be obtained from the Student Services Office. The student is expected to meet all obligations involving instructors, fellow students, deans, campus residents, Fiscal Services, Library, and Registrar, such as returning room keys, paying library fines or other unpaid fees, and returning rented or borrowed materials. Refunds of tuition and fees will be made according to the schedule shown under “Refunds” (see page 70).

Incomplete/Withdrawal Policy

Any student who begins an LCU course may drop that course without academic penalty if he or she does so by the last scheduled drop date. After this date, however, any student who is unable to complete a course will receive a “Withdrawal/Failing” or “WF” on his or her transcript, which is the academic equivalent of a “Failing” or “F.”

If a student believes that he or she would be able to complete a course if given an additional thirty-day extension, he or she may request an “Incomplete.” To request an “Incomplete,” a student must complete an “Incomplete” request through the Registrar’s Office. This form must be turned into the Registrar’s Office no later than the final day of the course unless the circumstances requiring the “Incomplete” prevent that timeframe. An “Incomplete” may be awarded at the discretion of the course instructor, but will only be awarded for extenuating circumstances such as
extended illness, a death in the family or the like. If an “Incomplete” is awarded and the student is still unable to complete the course after the thirty-day extension, the student will receive an “F.” There is a $25 fee for each “Incomplete” granted.

In rare circumstances, a student who would otherwise receive a “WF” or “F” may instead be given a simple “Withdrawal” or “W.” A “W” is a nullity on the student’s transcript in that it avoids the diminished grade point average that would be associated with an “F” or “WF.” In order to request a “W,” a student must complete a Withdrawal Request form from the Registrar, and turn it in within 30 days of the final day of the course at issue, unless the circumstances requiring the “W” prevent that timeframe. A “W” will only be awarded for extenuating circumstances such as extended illness, a death in the family or the like, and must be approved by the course instructor and the Academic Dean. Before a “W” will be granted, the student must provide to the Registrar, documentation of the reasons for the request in the form of a physician’s note (if the reason is medical in nature) or a letter (if the reason is not medical in nature).

Withdrawals based upon illness must be supported by a physician’s note that states specifically that the withdrawal from a class or multiple classes was necessitated by the student’s medical condition. Withdrawals based upon any other extenuating circumstances must be supported by a letter from the student stating specifically the nature of the extenuating circumstances and why they necessitated the student’s withdrawal from a class or multiple classes.

Please note that nothing in this policy alters any LCU course reimbursement policy.

**ALL COSTS AND FEES ARE SUBJECT TO CHANGE AT ANY TIME.** For current rates, please see our website: www.lincolnchristian.edu.

*Students enrolled in “Restoration Week” trips each spring will be charged a fee based on the expected cost of that trip. Charges range from $50-$1,000 or more, depending on the trip chosen by the student.

**Special Notes Concerning Fees:**

- Spouses of full-time students may audit any course for a single fee of $25 per semester.
- Textbook costs vary according to the course schedule of students. A full load of 12 hours or more typically cost $300 or more for textbooks.
- The $150 Residence Hall room deposit must be paid before any room can be reserved and/or occupied. The deposit is refundable when the student leaves the Residence Hall for the last time. If the room is not left clean and in order at the end of a school year, the room deposit will be forfeited.
Payments

If you are not able to immediately pay your account balance in full, you may wish to enroll in a payment plan arrangement. Lincoln Christian University offers the opportunity to spread your bill over several interest-free monthly payments by enrolling in a payment plan. It is a free service available to everyone.

With this option, you may budget your tuition and fees one of two ways:

Automatic Bank Payment (ACH) Option
ACH payments are those payments you have authorized Lincoln Christian University to process directly with your financial institution. It is simply a bank-to-bank transfer of funds that you have pre-approved for your expenses at LCU. Payments may be made from either your checking or savings account. Payments are processed on the 15th of each month beginning in July until the balance is paid in full.

Credit Card Option
Many payers have requested the option of charging their monthly tuition payment to their credit card. This enables you to take advantage of various bonus programs offered by your credit card company, like frequent flyer miles. If you elect to use this option, your monthly payment will automatically be charged to the credit card you designate. Payments will be charged on the 15th of each month beginning in July until the balance is paid in full.

Refund Policies

Students who officially withdraw from the University or from a particular class are eligible for a refund of any monies already paid or a reduction of any unpaid charges as described below. Please note that refunds are calculated from the time the student officially withdraws by returning the withdrawal form to the Registrar’s Office.

Withdrawing from the University

Students withdrawing from LCU may receive a reduction of charges incurred prior to completing 60% of the semester. This refund applies to any tuition, fees (except New Student Fee) or room and board charges.

- If withdrawal is prior to the first regularly scheduled class day, all tuition, fees, and room and board charges are deleted.
- If withdrawal is within the first 14 calendar days after the first regularly scheduled class day, then all tuition and fees are refunded minus a service charge of $100. Room and board charge will be pro-rated based on the weekly rate.
- If withdrawal is after the 14th calendar day, a student will receive a pro-rata refund of tuition, fees, and room and board charges equal to the portion of the period of enrollment remaining, rounded downward to the nearest 10%.
- If withdrawal is after 60% of the semester has been completed, no refund shall be made.
- All financial aid will be refunded based on your withdrawal date and the formula set by the Department of Education Return of Title IV Funds.
- LCU will return any unearned federal aid in this order: Federal Unsubsidized Loan, Federal Subsidized Loan, Federal Direct PLUS, Federal Pell Grant, and then FSEOG.

Nevada Refund Policy

If the institution has substantially failed to furnish the training agreed upon in the enrollment agreement, the institution shall refund to a student all the money the student has paid.

If a student cancels his or her enrollment before the start of the training program, the institution shall refund to the student all the money the student has paid, minus 10% of the tuition agreed upon in the enrollment agreement or $150, whichever is less.

If a student withdraws or is expelled by the institution after the start of the training program and before the completion of more than 60% of the program, the institution shall refund to the student a pro-rata amount of the tuition agreed upon in the enrollment agreement, minus 10% of the tuition agreed upon in the enrollment agreement or $150, whichever is less.

If a student withdraws or is expelled by the institution after the completion of more than 60% of the training program, the institution is not required to refund the student any money and may charge the student the entire cost of the tuition agreed upon in the enrollment agreement.
If a refund is owed (as described above), the institution shall pay the refund to the person or entity who paid the tuition within 15 calendar days after the:
- Date of the cancellation by the student or his/her enrollment;
- Date of termination by the institution of the enrollment of a student;
- Last day of an authorized leave of absence if a student fails to return after the period of authorized absence; or
- Last day of attendance of a student, whichever is applicable.

**Withdrawing from a Course**

Refunds and grades are determined differently for courses that are 15 weeks in length and those that are less than 15 weeks in length (i.e. block classes, intensive weeks, and 8‐week courses). Students withdrawing from one or more 15‐week courses, but not from the entire institution, are entitled to a full refund of tuition only for that course or courses through the second week (the 14th calendar day) of the semester. Students who withdraw before the semester begins or during the first two weeks of the semester will have the course removed from their transcript.

Students who drop during weeks 3 or 4 of the semester receive no refund and will be given a grade of W (withdraw), which has no academic penalty. Students who withdraw after the first four weeks receive no refund and are typically given a grade of WF (withdraw – F), which does count against the grade point average, unless there are extenuating circumstances, as determined by the Academic Dean.

Refunds and grades for dropped courses less than 15 weeks in length (i.e. block classes, intensive weeks, and 8‐week courses) are based on the following progressive schedule.

Except for the first item below (which requires no contact with any on‐campus office), all refunds are based on the date of the official contact (office visit or email).

Courses dropped during the online registration period are not billed, so there is no refund necessary. All such dropped courses are deleted from the record with no grades given. Students DO NOT need to contact any office during this period, since all drops (or adds) can be done online by the student through the Student Portal. Online registration periods are typically open for a few weeks midway through the spring semester for fall courses and for a few weeks in the late fall for spring courses, though students may register (or drop courses) after this period. Online registration periods are posted well in advance. (Note: Students who are new will be notified of their registration period as part of their admission acceptance letter.)

All courses dropped after the online registration period closes but before the start of the second class session (e.g. before the second Monday class for all Monday evening courses, or before the start of the second week for online courses) are eligible for a full refund. All such dropped courses are deleted from the record with no grades given. As noted in the introduction to this policy, students MUST contact the Registrar during this period or for any following period noted below to drop a class.

- Courses dropped before the start of the third class session (e.g., before the third Monday class for all Monday evening courses, or before the start of the third week for online courses) are not eligible for any refund. Grades of “W” are recorded on the transcript for classes dropped during this time.*
- Courses dropped after the third class sessions (e.g. after the third Monday class for all Monday evening courses, or after the third week for online courses) are not eligible for any refund. Grades of “WF” are recorded on the transcript for all classes dropped during this time. The only exception is that a grade of “W” may be granted (but no refund) in courses for students with extenuating circumstances (e.g. extended illness), but students must appeal by completing a Withdrawal Request form from the Registrar, and turn it in within 30 days of the final day of the course.*

*Students enrolled in a Las Vegas residential program should refer to the Nevada Refund Policy.
Financial Aid

Office of Financial Aid (217) 732-3168
finaid@lincolnchristian.edu

An undergraduate education is a significant investment and Lincoln Christian University is committed to making higher education accessible and affordable for all our students and families. Nearly 90% of Lincoln Christian University students receive financial aid. Last year the amount of aid totaled over $8 million dollars.

Federal and Illinois state grants are available to students who are U.S. citizens, permanent residents, or eligible non-citizens who have a recognized high school diploma or GED, and are meeting satisfactory academic progress standards. The accepted application for all federal and state programs is the Free Application for Federal Student Aid (FAFSA). Students are strongly encouraged to complete this form, which may be filled out online at Vise https://fafsa.gov.

Grants

**Federal Pell Grant**
The Federal Pell Grant is available to students with financial need. This grant is awarded based on a formula established by the Federal Government based on family financial information submitted on the Free Application for Federal Student Aid (FAFSA).

**Federal Supplemental Educational Opportunity Grant (FSEOG)**
The FSEOG is for students with exceptional need who also have received the Federal Pell Grant. Funds for FSEOG are very limited.

**Illinois Monetary Award Program (MAP)**
Illinois residents are considered for this need-based grant, which applies only to tuition and fees (room and board not included). The application deadline for MAP varies from year to year due to funding. Students are encouraged to complete the Free Application for Federal Student Aid (FAFSA) as soon as possible after October 1 for enrollment the following year. Visit www.isac.org for further information.

Loan Programs

**Federal Direct Loans (subsidized and unsubsidized)**
The William D. Ford Federal Direct Loan Program amounts are determined by the year of study and the dependency status of a student. First-time borrowers at LCU must complete loan counseling, as required by law. There are two types of Federal Direct Loans:
- Subsidized Loans – Under certain conditions, the Federal Government will pay the full interest charged on the loan while the borrower is attending school and prior to the beginning of the repayment period. These are called subsidized loans.
- Unsubsidized Loans – With unsubsidized loans the interest accumulates over the period of the loan. Repayment on a direct loan begins six months after the borrower completes his or her course of study or drops below half-time status. Students who have filed the FAFSA are automatically considered for this program.

**Federal Direct PLUS Loan**
Parents or legal guardians of a dependent student may borrow through the Federal Direct PLUS Loan program. Parents may borrow up to the cost of education (minus other aid). This program is not based on financial need. Repayment normally begins within 60 days of the second disbursement. All Federal Direct PLUS loans require a credit check.

**Alternative Loan**
Private banks and loan companies may also offer student and parent loan programs. These loans can be at a variable or fixed interest rate. Lenders will base rates on a borrower’s credit score and will often require a co-signer.

Lincoln Christian University has a limited number of on-campus student employment opportunities thru the LCU iServe program. Hours of work varies according to the job classification. A student may not work more than 20 hours per week on campus during the school year and more than 40 hours during breaks.

Businesses and individuals in the Lincoln area also provide opportunities for full- and part-time employment. Students desiring information about employment in Lincoln, IL, should contact the Financial Aid Office.

Federal Work-Study Program
This program assists students with financial need by providing job opportunities through Lincoln Christian University. Students must qualify under federal regulations and must complete the Free Application for Federal Student Aid (FAFSA). Compensation is bi-weekly with a work limit of 20 hours per week during
the school year. For more information and job postings, visit the I-Serve (work study program) website.

**Student Ministries**

There are opportunities for student ministry in the Lincoln, IL, area. Numerous students currently serve churches in various positions. The LCU Church Ministry Office is constantly in contact with churches seeking full-time and part-time ministry staff and will provide a list of such churches on request, as well as on the LCU website under “Churches” (select Open Ministry).

**Financial Aid Policies**

**Two Award Policy**

Students who are eligible to receive more than two institutional grants or scholarships will only receive the two largest dollar awards. There are some institutional aid programs that are an exception to the two award policy. These include the Church Matching Scholarship, the LCU College Grant, and the Endowed Scholarship program.

**Maximum Award Policy**

In no case will a student receive more in grant and scholarship assistance than full-time tuition costs. Grant and scholarship assistance used to pay tuition costs include institutional, private, federal, and state programs. Federal Pell Grant funds may be permitted to be used for room and board as well as other indirect costs such as books, supplies, and miscellaneous expenses.

**Outside/Private Scholarships**

Scholarships or grants received outside of federal, state, or institutional aid must be reported to the Financial Aid Office. This includes private scholarships, veteran’s benefits, vocational rehabilitation benefits, and fee reductions remission benefits. Outside/private scholarships will be applied toward tuition costs. Adjustments may be made to your financial aid package and/or institutional awards if the additional assistance causes you to receive more financial aid than you are eligible to receive (see Maximum Award Policy).

**Satisfactory Academic Progress**

Federal regulations require that financial aid recipients meet certain academic standards to be eligible for federal financial aid. To ensure financial aid recipients are making Satisfactory Academic Progress (SAP), academic transcripts are reviewed at the end of each term to determine eligibility for the next term. All terms of attendance are reviewed, including periods in which the student did not receive financial aid. The following guidelines have been established by Lincoln Christian University.

**Minimum Cumulative Grade Point Average**

The following sliding scale of minimum GPA applies to all students.

<table>
<thead>
<tr>
<th>Undergraduate after 1 semester</th>
<th>1.50</th>
</tr>
</thead>
<tbody>
<tr>
<td>Undergraduate after 2 semesters</td>
<td>1.75</td>
</tr>
<tr>
<td>Undergraduate after 3 semesters</td>
<td>2.00</td>
</tr>
</tbody>
</table>

**Minimum Credit Completion Requirement**

A student must have earned 67% of the total hours attempted to be considered eligible for financial aid. Undergraduate and graduate credits cannot be commingled.

Transfer hours will be included in hours attempted. The phrase “hours attempted” is defined as the sum of the hours for all LCU courses and transfer courses for which registration charges were incurred. This includes W courses for which no refund was given.

**Maximum Time Frame Requirement**

Eligibility is terminated at the point when the total hours attempted equals 150% of the total degree hours (i.e., 130 hours required x 150% = 195 maximum allowable hours). Students will be suspended as soon as it is mathematically not possible to graduate within the 150% timeframe.

**Financial Aid Warning and Suspension**

Recipients are placed on financial aid warning for the next semester of enrollment when they fail to meet the GPA and credit completion requirement. Students are suspended from receiving financial aid if they do not meet the SAP by the end of their warning term. A student may make a written appeal to the Financial Aid Committee if the minimum GPA or credit completion requirement is not met. Appeal forms are available in the Financial Aid Office. Part of the appeal process is establishing an academic plan with the student’s advisor. If appeal is granted, a student will be on financial aid probation and will be granted one additional semester of financial aid unless satisfactory academic progress is re-established or the student has successfully followed the academic plan.
Additional Financial Aid Information

Appeals Process
An appeal of a financial aid policy or award can be made in writing to the Director of Financial Aid.

Students must provide new and compelling evidence not previously considered. The appeal will be reviewed by the Director of Financial Aid and the financial aid committee. Applicants will be notified in writing of an appeal decision.

Consumer Information
Required information (campus crime statistics, FERPA guidelines, graduation rates, and accreditation information) is available upon request from the Financial Aid Office.

Enrollment Policy

Lincoln Christian University admits Christian men and women who desire a college education that will help them to know God’s word, engage God’s world, and pursue God’s will for their lives as servant leaders in the church and in the world. Students should present a record of achievement that documents their academic experiences, their extra-curricular and/or community activities, and their church involvement as it relates to the University mission. All candidates should show support of our mission.

In evaluating student credentials, Enrollment Services strives to determine the students’ fit to our mission and their potential for success as a member of LCU’s academic community. This decision is based primarily upon the application materials submitted, though other available information from public sources, references, background checks (if required), etc., may also be used. Decisions to admit or deny an application will be made based upon this evaluation.

Application Process

Students may apply for admission online at www.LincolnChristian.edu/apply.

Application materials should be completed as early as possible, though no more than 12 months before the anticipated enrollment date. Applications should be made by August 1 for fall enrollment and December 15 for spring enrollment. Applications received after these deadlines may be deferred to the next term of enrollment.

The following materials must be submitted before final action will be taken on an application:

1. A completed application for admission. An online application is available.
2. A personal essay as indicated on the application for admission. This form is also available online.
3. Official transcript(s) of all credits earned in high school. If multiple high schools have been attended, a transcript from the final school showing graduation is adequate. Note: an initial admission decision may be made based upon an incomplete high school transcript, but a subsequent official transcript showing graduation must be provided. Note: Students who have earned 24 semester credit hours or more from an accredited institution of higher education may have their high school transcript waived at LCU’s discretion.
4. Official transcript(s) of all credits earned from any college or university attended. (If more than one institution has been attended, each school’s transcript is required.) Note: submission of all postsecondary transcripts is required for any student applying to a residential program at the Las Vegas extension site who is seeking to use VA educational benefits.
5. Standardized test scores – Official score reports from the SAT, ACT and/or CLT should be sent directly to Lincoln Christian University. LCU’s ACT code is 1060. LCU’s SAT code is 1405.
   - Note: SAT/ACT/CLT scores not required for nontraditional students (those who are married, 23 years or older, or determined by LCU to be placebound).
6. A reference/recommendation form is required for admission. Note: family members may not serve as references.
   - Additional references may be required at the discretion of the admission committee.
7. Applicants for whom English is not their first language are required to submit official score reports from the Test of English as a Foreign Language (TOEFL) and/or International English Language Testing System (IELTS). Reports must be from tests taken within the prior three years.
and the scores should be sent directly to Lincoln Christian University.
- The minimum required scores are as follows: TOEFL score: Paper based exam = 530; Computer based exam = 213; Internet based exam = 71. The minimum band score for the IELTS is a 6.0.
- The language testing requirement may also be waived at LCU’s discretion for students who have:
  - Completed an entire post-secondary degree from an institution in an Approved Country where English was the language of instruction;
  - Completed 24 semester hours of collegiate credit (excluding language training, remedial, and vocational credit) with a grade point average of 2.75 or better, from an accredited institution in an Approved Country where English is the language of instruction; or
  - Completed a high school diploma or its equivalent from an institution in an Approved Country where English was the language of instruction.
- Approved Countries are: Australia, Canada, Ireland, New Zealand, the United Kingdom, and the United States.
- Note: TOEFL/IELTS scores are not required for those students who have successfully completed LCU’s English Language Academy.

When all required admission materials are on file, the admission committee will review the materials and notify the applicant in writing of its decision. It is the student’s responsibility to see that all required documents are submitted.

- Admission decisions are made on a rolling basis throughout the year typically beginning August 15 for the following fall term of entry.
- All application materials are kept on file for one year and become the property of Lincoln Christian University. Transcripts received from other institutions will not be returned to the student or released to another institution or third party.

- Admitted students may elect to defer their enrollment for one year by notifying Enrollment Services.
- Students should be 17 years of age by the date of full-time enrollment.
- If a student is denied admission, they may reapply for enrollment for the academic semester one year following the one for which they were denied admission (e.g., if denied for Spring 2017, the earliest semester they could see enrollment in would be Spring 2018). In this circumstance, re-application must be made no earlier than nine months following the denial and include a statement addressing what the applicant has done since the original denial.
- An appeal of an admission decision can be made in writing to the Dean of Enrollment Services. The appeal will be reviewed and adjudicated by the University’s Academic Council. Applicants will be notified in writing of an appeal decision.

Admission to the University

Regular Admission
Standard admission with no restrictions

Provisional and Conditional Admission
Applicants to LCU may be admitted on a provisional basis if, for example, some admission material cannot yet be provided in a final, official form (such as an official transcript showing completion of a high school diploma.).

Applicants to LCU may be admitted conditionally if it is known that upon enrollment they will not have met the requirements for regular admission and/or if it appears they could benefit from additional assistance to increase the likelihood of student success. Conditional admission may take the form of restrictions on course work, the completion of certain college preparatory classes as part of their curriculum, structured mentoring, or other action that LCU believes necessary to aid in student success. If a student is admitted conditionally, a minimum 2.0 cumulative GPA at the conclusion of the first semester, or the approval of the Undergraduate Academic Dean, is required in order to remain enrolled.
Additionally:

Any student who has a cumulative GPA lower than a 2.0 in the last five years, whether in high school or in a previous college, will be admitted with conditions absent strong evidence of recent success.

Any student whose highest ACT score is lower than 19 or whose highest SAT score is lower than 980 or whose CLT score is lower than 58 will be admitted with conditions absent strong evidence of recent success.

For any student who has taken each or two of the ACT, SAT, and CLT, the highest score of either will be used to determine this.

Any student who has been out of college at least five years and whose previous college work results in a cumulative grade point average below 2.0 may be considered for admission under a “Fresh Start” policy.

“Fresh Start” policy states that if all other admissions requirements are met, those earlier grades will not be considered in determining that student’s current academic or acceptance status.

Home School Students

Lincoln Christian University welcomes applicants who have received a home school based education. Home school candidates should follow the application process indicated above and will be considered on an individual basis to determine an appropriate admission decision.

Home school students must submit a transcript or documentation showing that they have completed a comparable high school/college preparatory curriculum. This may be established through one of the following ways:

- Successful passage of the General Equivalency Diploma (GED) test.
- An academic record/transcript of high school level courses completed, including the course name, individual course grades, and a cumulative grade point average. The transcript must be signed and dated by the primary home educator.
- A transcript through an agency or association recognized by Lincoln Christian University that issues transcripts as a part of its function.

International Students

An international student is any student who is not a United States citizen or a United States permanent resident.

Submission Dates

- For international applicants, applications should be completed for fall by June 1.
- For spring, applications should be completed by November 1. The regular admission deadline for fall is June 1. Applications submitted after these dates may be delayed.

Admission Materials

- In addition to the ordinary admission materials required for all undergraduate applicants, international students need to provide:
  - Academic transcripts in their original language along with an official certified translation in English if the original transcript is not in English. Applicants to the English Language Academy (non-degree seeking) are exempted from the translation requirements and may submit academic transcript/s without translation.
  - Any college/university work completed outside of the United States must be submitted to an LCU approved agency for certification and evaluation. A comprehensive course by course evaluation is required for undergraduate work; a document-by-document evaluation is sufficient for graduate work. Note that a transcript evaluation is not required for certain LCU approved institutions, and not required for acceptance into the English Language Academy. A list of these institutions is available, upon request, from either the Registrar’s Office or the Enrollment Office.
  - Approved agencies include, but are not limited to:
    - World Education Services (www.wes.org)
    - Educational Credential Evaluators, Inc. (www.ece.org)
    - Josef Sliny & Associates (www.jsliny.com)
    - Please contact the Coordinator of International Enrollment for approval if you are planning to use an agency not listed above.
  - Complete the reference/recommendation form(s) as indicated on the application for admission.
Additional reference forms may be requested at the discretion of the admission committee.

- Submit official score reports from the Test of English as a Foreign Language (TOEFL) and/or International English Language Testing System (IELTS). Reports should be sent directly to Lincoln Christian University.
- The exam must have been taken within the last three years prior to application for admission. Only one of the tests is required, provided the score has met the minimum requirements.
  - The minimum required TOEFL score: Paper based exam: 530; Computer based exam: 213; Internet based exam: 71. The minimum band score for the IELTS is a 6.0. The testing requirement may be waived at LCU’s discretion for students whose undergraduate degree is from an institution in the United States where English is the primary language or for those students who have successfully completed LCU’s English Language Academy.
  - The language testing requirement may also be waived at LCU’s discretion for students who have:
    • Completed an entire post-secondary degree from an institution in an Approved Country where English was the language of instruction;
    • Completed 24 semester hours of collegiate credit (excluding language training, remedial, and vocational credit) with a grade point average of 2.75 or better, from an accredited institution in an Approved Country where English is the language of instruction; or
    • Completed a high school diploma or its equivalent from an institution in an Approved Country where English was the language of instruction.
  • Approved Countries are: Australia, Canada, Ireland, New Zealand, the United Kingdom, and the United States.
  • Note: TOEFL/IELTS scores are not required for those students who have successfully completed LCU’s English Language Academy. Submit a statement of financial responsibility form and corresponding bank documents and/or affidavits of financial support. Students may be admitted to the university prior to LCU’s receipt of documentation of ability to pay educational expenses, but LCU will not issue an I-20 until such evidence has been provided.
- Submit a copy of a valid passport.
- For those international applicants already in the United States, submit a copy of your current visa page.
  • Any international student desiring to receive credit from LCU in transfer from another college or university in the United States, will need to ask the international advisor at their sending school to complete the transfer student information form and provide a copy of your current I-20 and I-94 documents.
  • International students who participate in athletics are required to purchase Student Athletic Insurance (annual fee = $850).

Deposit
The I-20 document for obtaining the F-1 student visa will be issued to admitted students when a minimum deposit of $2000 USD has been received and evidence of ability to pay has been established. If an international student persists to the final semester of his or her program, this $2000 deposit will be applied to the final semester of the student’s degree program expenses. All but $300 of this deposit may be refunded after an I-20 has been issued if a student is denied a visa.

Students who fail to pay educational expenses, fail to enroll at LCU, or who fail to persist through to the final semester of their academic program (or the English Language Academy) will not be refunded the $2000 enrollment deposit.

English Language Academy
The admission requirements for LCU’s English Language Academy are the same as admission requirements for international students with the exception that applicants do not have to submit proof of English language proficiency and must submit to an interview. Please note that the goal of the English Language Academy is to instruct students whose primary language is Mandarin to learn and understand English.

For more information about the English Language Academy, please visit the LCU the website at:
LEAP: High School Dual Enrollment Program

High school students who wish to attend Lincoln Christian University through the dual-enrollment program (onsite or online), Lincoln’s Early Achievement Program (LEAP), must complete the application for admission indicating high school dual enrollment and submit an official high school transcript. Students must have a 3.0/4.0 scale to be eligible. Students may complete as many dual enrollment courses as they wish, but the LEAP pricing is limited to twelve semester credits. All additional hours are billed at the usual rate. Dual enrollment students are additionally limited to no more than six credits per semester. Please refer to the tuition and fees schedule for special dual enrollment pricing. Dual enrollment students are not eligible to receive financial aid.

Non-Degree Seeking Students

A non-degree seeking student is someone interested in taking classes but does not want a degree from LCU. Often these are students who have degrees but want to take additional classes for personal or professional development. Students desiring to apply as a non-degree seeking student need to submit an application for admission indicating non-degree seeking status and a final transcript showing high school graduation. Full tuition and fee schedule will apply. Non-degree seeking students are not eligible for financial aid and are limited to 9 credit hours of coursework. After 9 credit hours of coursework students must formally apply as a degree seeking student. Some class pre-requisites may apply, and students must adhere to academic policies and student life guidelines in place at the time of enrollment.

Guest Students

Students from another institution desiring to take a class at Lincoln Christian University to transfer back to their primary institution need to submit an application for admission indicating guest student status and a college transcript or letter of good standing from the registrar or dean at their home institution. Guest students are not eligible for financial aid unless they are participating in a consortium agreement from their home institution. Some class pre-requisites may apply.

Non-Traditional Students

A non-traditional student is one who meets one of the following criteria (and thus allows them to enroll in online degrees and/or courses):

- Married
- Age 23 or older
- Placebound

Audit Students

Students desiring to audit an undergraduate class need to submit an application for admission indicating audit status. Please refer to the tuition and fees schedule for undergraduate pricing.

Students auditing a class are not eligible to receive financial aid. Audit students can request a transcript showing that they audited the class but they will not receive course credit nor will it impact their GPA.

Criminal History Check

All applicants must disclose any criminal history as part of the application process. A written statement explaining the circumstances, dates of incident(s) and charge(s) is required. Review of an applicant’s criminal history will focus primarily on ensuring the safety of the LCU community. In some cases, particularly in the case of felonies or crimes of violence, a criminal history check and an interview may be required. In such cases, the criminal history check will be done at the applicant’s expense. Admission decisions for applicants with criminal histories showing felonies or crimes of violence will be made by a committee consisting of the Dean of Enrollment Services, Undergraduate Dean, and Dean of Student Services.

General Equivalency Diploma (GED)

Applicants who have not graduated from high school and who are applying on the basis of GED scores must submit test results showing a minimum battery average score of 580 (58 on GED exams administered prior to 2002) with a minimum score of 400 on each GED subtest (40 on subtests administered prior to 2002). Academic transcripts up to the point the student left, must also be submitted.

Applicants, whose GED scores fall below these standards may qualify for admission on the basis of a combination of GED and SAT or ACT results or by completing at least 12 semester hours at a regionally accredited college or university with a cumulative grade point average of at least 2.0. Other applications will be considered on a case-by-case basis.

Advanced Placement

Lincoln Christian University accepts placement opportunities through several programs including AP and CLEP tests. Please contact the Registrar’s Office for more information.

Military Veterans

Military veterans who qualify for education benefits should obtain the necessary certification of eligibility for training online at www.va.gov or from the nearest Veteran Affairs Office (VA). Specific questions concerning unusual programs should be directed the Veteran’s Administration. General questions concerning application for veteran’s benefits may be directed to the LCU Financial Aid Office.

Re-Enrollment

Students who have not been enrolled at LCU for at least 12 months or more will be required to re-enroll by submitting an Application for Admission indicating re-enrollment/ previous attendance. Students who have attended another institution during his/her absence will be required to submit official transcripts before an admission decision will be made. A new spiritual life reference form is also required. The admission committee cannot make a decision on a student applying for re-enrollment if there are any holds on their file, including student services, health services, academic, or student account holds. These should be resolved before re-enrollment. The Student Services, Fiscal Services, the Undergraduate Academic Dean, Registrar’s Office, and the Enrollment Services offices must all sign off on any student pursuing re-enrollment at LCU. Re-enrolled students must follow the academic catalog in effect at the time of re-entry.

Health and Housing

Admitted students will receive housing and health forms if applicable (e.g. non-traditional students enrolled in online programs are exempted from providing these forms). Students planning to live on campus will be required to make a housing deposit which is refundable until May 1 for fall enrollment and December 1 for spring enrollment.

Housing assignments cannot be made until this deposit is received. The deposit is returned when the student follows proper checkout procedures and leaves his/her room in good condition.

Any residential student on-campus taking more than a half-time course load per semester must submit two health forms and one updated immunization record which is maintained confidentially by Health Services. Up-to-date immunization requirements include a Tetanus booster that is no more than 10 years old and 2 doses of MMR given at separate calendar dates. Beginning in 2016, Illinois state law also requires that all 12th graders must submit proof they received the meningitis vaccine. All forms as required by the state of Illinois must be submitted within 15 days of the start of the semester in which he/she enrolled at LCU.
ADMINISTRATION & FACULTY

While the previous chapters of this catalog have described the purpose, programs, and policies at LCU, it is the people that most reflect the heart of the University. Listed below are the trustees, administrators, and faculty who are committed to helping every student hear God’s call on their lives. Though all of these people are important, it is the faculty that students will come to know, love, and appreciate—as mentors, models, and ministers of God’s truth. Therefore, the bulk of this chapter is devoted to identifying them and their credentials. Still, there are many people here who play significant institutional roles, from the Board of Trustees to the staff who work quietly behind the scenes to help provide the best education possible. The rest of this chapter lists the people who work mostly in academics or who oversee academic life, beginning with the trustees and ending with the faculty.

Board of Trustees

Lincoln Christian University is directed by a Board of Trustees composed of business and professional people and ministers from Christian Churches/Churches of Christ. The Trustees for the 2018-19 academic year are:
