Church Scholarship Information Sheet
2021-2022

LCU is committed to making an education affordable and within reach. That's why we are offering a church matching scholarship to students enrolled in a LCU undergraduate program. LCU will match up to $500 annually for students enrolled full-time or up to $250 annually for students enrolled half-time.

In order to have the church scholarship applied properly to your account, please have your church complete the Church Scholarship Intent Form.

Church Matching Scholarship Policy

- The Church Scholarship Intent Form must be submitted each year by **June 15**.
- Scholarship funds must be received by LCU and applied to student's account at least one week prior to registration for the next term. *If funds are not received before this time, student must contact the Financial Aid Office or Fiscal Services Office to make other arrangements for bill payment*.
- If the church requires a copy of the student's bill each semester in order to submit payment, the student will need to give written consent for us to send the bill. This is done by adding the church to the student's Federal Education Rights and Privacy Act (FERPA) consent form. This permission authorizes LCU to release student information to the church.
- To receive a church matching scholarship from LCU, the church needs to be recognized by the federal government, as a 501 (c)(3), or by the state, through incorporation. Verification of this status may be requested by the Financial Aid Office.
- LCU will match the church's scholarship as soon as the Church Scholarship Intent Form is received and verification has been completed.
- LCU will transfer the scholarship to the student's account once funds are received from the church.
- LCU will match up to $250 per semester/$500 annually for a full-time student enrolled in an undergraduate program. Full-time is defined as taking at least 12 credit hours per semester.
- LCU will match up to $125 per semester/$250 annually for a half-time student enrolled in an undergraduate program. Half-time is defined as taking at least 6 hours per semester.
- Financial Aid policies established at the time of enrollment will apply.
