Part C.3. Student Learning

Table C.3.1. 2021 – 2022 Assessment Results

	Goals Met	Goals Not Met	Action to be Taken
AA (Bible)	4	2	Faculty noted that Covid had a significant impact on course evaluations, both for incoming students and continuing LCU students. Because the program is likely going to end May, 2023, no recommendations for action were suggested.
AA (Education)	-	-	Because the program ended in May, 2022 and all students transferred to other institutions no assessment was done.
AS (Pre-Nursing) & AS in Science	1	2	The two goals not met were just under the threshold, and because this program ended in May, 2022, no recommendations for action were suggested.
Gen Ed Core (Undergrad)	3	2	The two goals not met were just under the threshold, and it was suggested that a combination of Covid and the Feb. 22 announcement reduced the students' willingness to do their best work. Because the core is undergoing review for the 23-24 academic year, new assessment measures will need to be created.
Bible/Theology Core	2	3	One measure was just under the threshold so no recommendation. The other two failing goals both had goals from courses that will not continue into the new Bible/Theology core so no actions were recommended. The new core will begin FA-23.
Christian Ministry Core/BA in Christian Ministry	3	0	The Christian Ministry core and associated BA are being restructured for the new curriculum and will begin FA-23. Because courses are being restructured or eliminated no additional recommendations at this time. The new BA in Christian Ministry will need a revised assessment plan starting Fall, 2023.
BA in Biblical Studies	4	0	This program is being substantially restructured for the new curriculum. The new version will begin FA-23 and will need a revised assessment plan.
BA in Business Administration	4	0	This program formally ended in May, 2022 and is now being taught out. All students are expected to complete the teach-out by May, 2023.
BA in Children and Family Ministry	4	0	This program formally ended in May, 2022 and is now being taught out. It is hoped that lower division students still in the program will change to the new BA in Christian Ministry which will begin in FA-23.
BA in Communication Studies	3	2	This program formally ended in May, 2022 and is now being taught out. All students are expected to complete the teach-out by May, 2023.
BA in Intercultural Studies	2	0	This program formally ended in May, 2022. Only one student doing IC as a minor remains in the program and he will conclude IC courses in May, 2023.

	Goals Met	Goals Not Met	Action to be Taken
BA in Media Arts and Ministry	-	-	This program formally ended in May, 2022 and because there were so few students in the program the assessment could not be done. It is hoped that the one remaining student will change to the new BA in Christian Ministry in FA-23.
BA in Philosophy	4	0	This program formally ended in May, 2022, but because one student had declared the major just prior to Feb. 22, 2022, the teach-out will take several years.
BA in Preaching Ministry	4	0	This program formally ended in May, 2022 and is now being taught out. It is hoped that lower division students in the program will switch to the new BA in Ministry that begins Fall, 2023.
BA in Psychology	3	1	This program formally ended in May, 2022 and is now being taught out. All students are expected to complete the teach-out by May, 2023.
BA in Spiritual Formation and Ministry	<i>The last student graduated in May, 2022. No assessment done.</i>		
BA in Sport Management	2	1	This program formally ended in May, 2022 and is now being taught out. The one remaining student is expected to complete the teach-out in December, 2022.
BA in Worship Ministry	4	0	This program formally ended in May, 2022 and is now being taught out. The students are expected to complete their Worship Ministry courses by May, 2023.
BA in Youth and Family Ministry	5	0	This program formally ended in May, 2022 and is now being taught out. It is hoped that the lower division students will switch to the new BA in Christian Ministry beginning in Fall, 2023.
